Road Map

- If you buy our token, part of the profits will go to charity, humanitarian aid to war victims and to rebuild war-torn areas.
- If you are part of our community you can vote for what the donations are used for.
- Visit our website. In the Discuss area you can interact and comment on the war. You can also get in touch with people in our community with the same interests as you.

Team & Transparency

- We are a team of developers, technicians, managers and a marketing team with experience in crypto projects.
- We want to be clear, precise and transparent in our operations, so we will share each and every one of the steps we take and that we will follow in each of the phases.
